

ENROLL-HD DATA USE AGREEMENT

THE RECEIPT AND USE OF ENROLL-HD DATA FROM CHDI FOUNDATION, INC. REQUIRES THAT THE ORGANIZATION REQUESTING ENROLL-HD DATA (THE "RECIPIENT") TO ENABLE THE RECIPIENT'S RESEARCHERS (EACH, A "RECIPIENT RESEARCHER") AGREES TO THE TERMS AND CONDITIONS OF USE SET FORTH IN THIS ENROLL-HD DATA USE AGREEMENT (THIS "AGREEMENT").

PLEASE READ THIS AGREEMENT CAREFULLY BEFORE REQUESTING, DOWNLOADING AND/OR USING ENROLL-HD DATA. BY CLICKING "AGREE TO/ACCEPT", THE RECIPIENT IS EXECUTING THIS AGREEMENT AND AGREEING TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT.

The mission of CHDI Foundation, Inc. ("CHDI") is to facilitate and enable the development of therapeutics that will substantially improve the lives of individuals affected by Huntington's disease ("HD") as quickly as possible.

In furtherance of that mission, CHDI is funding the conduct of a global multi-site observational clinical study entitled "A Prospective Registry Study in a Global Huntington's Disease Cohort (Enroll-HD)" (the "Enroll-HD Study").

One of CHDI's objectives for funding the Enroll-HD Study is to make data collected about or from the research participants participating in the Enroll-HD Study and/or derived from the data or biological materials collected about or from such research participants, available for research related to HD or other disorders.

The Recipient desires to obtain such data to enable the Recipient's Researchers to perform research that furthers the development of treatments of HD or other disorders.

CHDI is willing to make such data available to the Recipient to facilitate the performance of such research.

This Agreement sets forth certain terms and conditions to govern the use of such data by the Recipient.

In consideration of the mutual representations, warranties and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Recipient agrees with, and for the benefit of CHDI, as follows:

1. Definitions. For the purposes of this Agreement, capitalized terms used herein but not otherwise defined shall have the meanings set forth below:

- (a) "Data" means any clinical data collected from the Enroll-HD Study research participants directly or indirectly provided to, or obtained by, the Recipient from CHDI. For the avoidance of doubt, Data includes personal data of the research participants participating in the Enroll-HD Study whose (i) genotypic or phenotypic data is included in the Data and/or (ii) data and/or biological materials were used to derive information included in the Data but expressly does not include Research Results.
- (b) "Data Protection Legislation" means all applicable international, national and local laws, rules and regulations relating to the processing of personal data and privacy including (i) the General Data Protection Regulation 2016/679 ("GDPR") and any local Member State law giving effect to or implementing the GDPR; (ii) to the extent applicable, the Retained Regulation (EU) 2016/679 ("UK GDPR") and Data Protection Act 2018 (c.12); and (iii) any statute, consent, enactment, order, rule, regulation, authorization, standard or other similar instrument made thereunder, in each case as any such law, rule or regulation may, from time to time, be amended, extended, re-enacted or consolidated. As applicable, the terms "controller", "data subject", "personal data", "personal data breach", "process", "processor" and "supervisory authority" (and their derivatives) shall have the meanings given to those terms in any such law, rule and regulation.
- (c) "Generated Personal Data" means any data, formulae, outcomes or other results produced by the Recipient in the course of the Recipient's conduct of Research using the Data that constitutes personal data of the research participants participating in the Enroll-HD Study whose (A) genotypic or phenotypic data is included in the Data and/or (B) data and/or biological materials were used to derive information included in the Data.
- (d) "Research" means any activity that furthers the development of treatments of HD or other disorders other than (i) the manufacture or distribution of any product or service for sale or (ii) the sale of any product or service. For the avoidance of doubt, Research shall not include any right to (A) manufacture or distribute any product or service for sale or (B) sell any product or service.
- (e) "Research Results" means (i) all data, formulae, outcomes or other results produced (including Generated Personal Data) and (ii) any discovery, invention, formulation, know-how, method, technological development, enhancement, modification, improvement, work of authorship, computer software (including, but not limited to, source code and executable code) and documentation thereof, data or collection of data, whether patentable or not, or susceptible to copyright or any other form of legal protection, conceived, discovered, invented, made or first reduced to practice, in each

case in the course of the Recipient's conduct of Research using the Data. For the avoidance of doubt, Research Results expressly excludes all Data (including any personal data included in the Data).

- (f) "Standard Contractual Clauses" means the standard contractual clauses for the transfer of personal data from the European Union to third countries: (Controller-to-Controller) under decision 2004/915/EC as published by the European Commission pursuant to Article 26(2) of Directive 95/46/EC (as may be updated from time to time), a copy of which is attached as Exhibit 1.
2. Acknowledgement of the Recipient of Nature of the Data. The Recipient acknowledges that CHDI, as the organization funding the Enroll-HD Study and the providing the Data, has an obligation to safeguard the identity of the research participants participating in the Enroll-HD Study whose (a) genotypic or phenotypic data is included in the Data and/or (b) data and/or biological materials were used to derive data included in the Data. For the avoidance of doubt, each of CHDI and the Recipient are independent controllers in relation to the processing of personal data for the purposes of this Agreement.
3. Non-Exclusive License. CHDI grants to the Recipient a non-exclusive, non-transferable, non-assignable, non-sublicensable, paid-up license throughout the world to use the Data for the sole purpose of conducting Research that is directed and overseen by the Recipient Researcher. The Recipient acknowledges and agrees that no express or implied licenses or other rights are provided to use the Data or any related patents, patent applications, trade secrets or other proprietary rights of CHDI or any third party for any purpose other than conducting Research.
4. Limited Warranty; No Other Warranties. The Data have been collected, processed and transferred to the Recipient under this Agreement in accordance with all federal, state, local and international laws applicable to CHDI. EXCEPT FOR THE EXPRESS REPRESENTATION AND WARRANTY SET FORTH IN THIS SECTION, THE DATA ARE PROVIDED "AS-IS" AND CHDI MAKES NO OTHER REPRESENTATIONS AND EXTENDS NO OTHER WARRANTIES OF ANY KIND, EITHER EXPRESSED OR IMPLIED. THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE USE OF THE DATA WILL NOT INFRINGE ANY PATENT, COPYRIGHT, TRADEMARK, TRADE SECRET OR OTHER PROPRIETARY RIGHT. IN NO CASE WILL CHDI BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OR FOR ANY LOST PROFITS OR LOST REVENUES DUE TO, OR ARISING FROM, THE RECIPIENT'S USE, STORAGE OR DISPOSAL OF THE DATA.

5. Ownership and Acknowledgments Related to Generated Personal Data.
- (a) Ownership of the Data. As between CHDI and the Recipient, CHDI retains ownership of the Data.
 - (b) Ownership of Research Results. As between CHDI and the Recipient, the Recipient retains ownership of all Research Results (except that, as between CHDI and the Recipient, CHDI retains ownership rights to any Data included therein). CHDI acknowledges and agrees that the Recipient is free to file patent application(s) claiming Research Results.
 - (c) Acknowledgments Related to Generated Personal Data. The Recipient acknowledges and agrees that, to the extent that any of the Research Results constitute Generated Personal Data, the Recipient (i) is the sole data controller in relation to all such Generated Personal Data, (ii) shall, in relation to all such Generated Personal Data, comply with its obligations as a data controller in accordance with the Data Protection Legislation and (iii) use the Generated Personal Data in compliance with all applicable federal, state, local, international, health authority and institutional laws, rules, regulations, orders and guidelines (including the Data Protection Legislation).
6. Use of the Data.
- (a) Use of the Data by the Recipient. The Recipient agrees:
 - (i) to use the Data for the sole purpose of conducting Research that is directed and overseen by the Recipient Researcher; and
 - (ii) to use the Data in compliance with all applicable federal, state, local, international, health authority and institutional laws, rules, regulations, orders and guidelines (including the Data Protection Legislation); and
 - (iii) to maintain, store and treat the Data in the same manner, and with the same level of care (but in no event less than a reasonable level of care), as the Recipient would maintain, store and treat its own proprietary or confidential information to prevent its unauthorized transfer, disclosure or publication, as applicable; and
 - (iv) not to use the Data to attempt to determine, or determine, the identity of any of the research participants participating in the Enroll-HD Study whose (A) genotypic or phenotypic data is included in the Data and/or (B) data and/or biological materials were used to derive data included in the Data; and

- (v) if the Recipient is established in a country outside of the European Economic Area (and, as of, or at any time after, the effective date of this Agreement, either (A) that country does not hold a European Commission decision finding that such country provides an adequate level of protection or (B) the Recipient does not hold a European Commission decision finding that it provides an adequate level of protection), to (1) agree with CHDI in its capacity as the "data exporter" (as defined in the Standard Contractual Clauses) of the Data and (2) comply with each of the contractual clauses set out in the Standard Contractual Clauses in its capacity as the "data importer" (as defined in the Standard Contractual Clauses) of the Data (to the extent that the Standard Contractual Clauses are superseded or replaced by equivalent standard data protection clauses adopted by the European Commission in accordance with the examination procedure referred to in Article 93(2) of the GDPR (the "Updated Contractual Clauses"), the Recipient acknowledges and agrees that, as of the date the Updated Contractual Clauses become effective, the Standard Contractual Clauses shall cease to apply to any and all transfers of personal data and the Updated Contractual Clauses shall supersede and replace the Standard Contractual Clauses from such effective date; provided, that, Annex B to the Standard Contractual Clauses shall be deemed to be incorporated into, and form part of, the Updated Contractual Clauses); and
 - (vi) subject to, and except as expressly permitted by, this Agreement or otherwise expressly consented to in writing by CHDI, not to transfer or disclose the Data to any third party; and
 - (vii) subject to, and except as expressly permitted by, this Agreement or otherwise expressly consented to in writing by CHDI, not to publish the Data (including any Data contained or incorporated in any Research Results); and
 - (viii) to report to CHDI any personal data breach, use, transfer, disclosure or publication of the Data not expressly permitted by this Agreement within 48 hours of becoming aware of any such data breach, use, transfer, disclosure or publication irrespective of whether there is a requirement under the Data Protection Laws to notify any supervisory authority or data subject(s).
- (b) Additional Data Protection Obligations.
- (i) Assistance Related to Requests by Data Subjects and Supervisory Authorities. The Recipient will, upon receipt of a written request from the CHDI, provide such assistance as is reasonably necessary

to enable CHDI to comply with requests from (A) data subjects to exercise their rights under the Data Protection Legislation within the time limits imposed by the Data Protection Legislation or (B) supervisory authorities relating to CHDI's processing of the Data. The Recipient will (A) maintain a record of any request for information from data subjects or supervisory authorities in respect of the Data, the decisions made by the Recipient in respect of each such request and any information that was exchanged (including a copy of the request for information, details of the Data accessed and shared and, where relevant, notes of any meeting, correspondence or phone calls relating to the request) and (B) upon the written request of CHDI, provide a copy of all such records and information to CHDI.

- (ii) Personal Data Breaches and Reporting. Each of CHDI and the Recipient will comply with its obligations to report a personal data breach to the appropriate supervisory authority and (where applicable) data subjects under the Data Protection Legislation. The Recipient will, upon receipt of a written request from CHDI, provide such assistance as is necessary to enable CHDI to facilitate the handling of any personal data breach in an expeditious and compliant manner.
 - (iii) Requirements Related to Permitted Transfers or Disclosures of the Data. To the extent that consent is granted by CHDI to the Recipient under Section 6(a)(vi) of this Agreement to transfer or disclose the Data to a third party, the Recipient will ensure that any such transfer or disclosure of the Data to a third party that (A) is in a country that does not hold a European Commission decision finding that such country provides an adequate level of protection or (B) does not hold a European Commission decision finding that it provides an adequate level of protection is performed (1) in accordance with the Data Protection Legislation, (2) where the third party has provided appropriate safeguards and (3) on the condition that enforceable data subject rights and effective legal remedies for data subjects are available.
- (c) Destruction of Certain Data upon Request. From time-to-time a research participant whose (i) genotypic or phenotypic data is included in the Data and/or (ii) data and/or biological materials were used to derive data included in the Data may request that their data (including data derived from their data and/or biological materials) no longer be stored and used for research. To accommodate that circumstance, upon notice from CHDI, the Recipient will appropriately destroy or discard, and discontinue use of, all of the Data identified by CHDI in such notice.

- (d) Provision of Data to Third Parties to Replicate Published Research Results. In addition, CHDI agrees, upon the written request of the Recipient, to provide the same Data provided to the Recipient under this Agreement to any third party that desires to attempt to replicate Research Results published by the Recipient Researcher; provided, that, such third party (i) submits a request to CHDI to obtain the Data and (ii) executes a data use agreement with CHDI containing terms and conditions the same as those set forth in this Agreement.
7. Requests for Data from Third Parties. The Recipient agrees to refer to CHDI any request for the Data from (a) any other person within Recipient's organization other than those persons conducting Research with, and under the direction of, the Recipient Researcher or (b) any third party.
8. Assumption of Liability; Indemnification. Except to the extent prohibited by law (or, alternatively, to the extent permitted by law), the Recipient assumes all liability for damages to the extent due to or arising from the use, storage or disposal of the Data or any Generated Personal Data by the Recipient. CHDI will not be liable to the Recipient for any loss, claim or demand made by the Recipient, or made against the Recipient by any third party, to the extent due to or arising from the use, storage or disposal of the Data or any Generated Personal Data by the Recipient. Except to the extent prohibited by law (or, alternatively, to the extent permitted by law), the Recipient will defend and indemnify CHDI (and its directors, officers, employees, trustees, shareholders, members and agents) against any loss, claim or demand (including attorneys' fees and cost of defense and the enforcement of this provision) suffered by CHDI in connection with any third party action, assessment, claim, demand, proceeding or suit to the extent due to or arising from (a) a breach of any representation, warranty or covenant of this Agreement by the Recipient or (b) the use, storage or disposal of the Data or any Generated Personal Data by the Recipient.
9. Publication of Research Results; Publication Policy; Acknowledgement of the Source of the Data.
- (a) Publication of Research Results. The Recipient and the Recipient Researcher shall have the sole and exclusive right to publish the Research Results; provided, however, the Recipient acknowledges and agrees (and shall cause the Recipient Researcher to acknowledge and agree) that the right to publish the Research Results does not, except to the extent expressly consented to in writing by CHDI, include the right to publish the Data (including any personal data included in the Data) or the codes/identification numbers assigned to the research participants participating in the Enroll-HD Study whose (i) genotypic or phenotypic data is included in the Data and/or (ii) data and/or biological materials were used to derive data included in the Data and provided with the Data.

The Recipient shall use reasonable efforts (and shall cause the Recipient Researcher to use reasonable efforts) to publish, cause to be published or otherwise publicly disseminate the Research Results as soon as reasonably possible after such Research Results have been produced.

- (b) Publication Policy. As described in the Enroll-HD Publication Policy (as amended from time to time), it is CHDI's position that all matters related to authorship of scientific publications resulting wholly or in substantial part from CHDI resources (financial support, data or biomaterials) should be determined in accordance with the criteria defined by the International Committee of Medical Journal Editors (<http://www.icmje.org/recommendations/browse/roles-and-responsibilities/defining-the-role-of-authors-and-contributors.html>). The Recipient acknowledges that, when publishing any Research Results, the Recipient is expected to comply with the Enroll-HD Publication Policy (as amended from time to time).
 - (c) Acknowledgement of the Source of the Data. The Recipient agrees that, when publishing any Research Results, the Recipient will acknowledge CHDI and the third parties specified in the Enroll-HD Publication Policy as the source of the Data in accordance with the Enroll-HD Publication Policy.
10. Termination; Effect of Termination; Survival of Certain Provisions.
- (a) Termination. This Agreement will automatically terminate upon a material breach of any representation, warranty or covenant of this Agreement by the Recipient and such breach is not remedied within 45 days of the receipt by the Recipient of notice of such breach from CHDI. In addition, to the extent the Recipient is subject to Section 6(a)(v) of this Agreement, this Agreement is also subject to the termination provisions set forth in Standard Contractual Clauses.
 - (b) Effect of Termination. Upon any termination of this Agreement, the Recipient (i) will immediately discontinue its use of the Data and (ii) will immediately and appropriately destroy or discard the Data.
 - (c) Survival of Certain Provisions. This Section 10 and each of Section 1, Section 2, Section 4 through Section 9 and Section 11 through Section 18 shall survive any termination of this Agreement.
11. Notices. Any notice required or permitted to be given by this Agreement shall be in writing and shall be delivered by personal delivery, facsimile (provided the sender has evidence of successful transmission) or next day courier service. Any notice so delivered shall be deemed to be given, delivered and received, if delivered by personal delivery, on the day of delivery and if delivered by

facsimile or courier service, on the day following dispatch. All such notices are to be given or made to the parties at the following addresses (or to such other address as the Recipient or CHDI may designate by a notice given in accordance with the provisions of this section):

The appendices, exhibits and schedules identified in this Agreement are incorporated herein by reference and made a part hereof. If anything in any appendix, exhibit or schedule attached to this Agreement (other than Exhibit 1) or any notice, invoice or other document delivered by a party under this Agreement conflicts with any terms or conditions set forth in the body of this Agreement, the terms and conditions set forth in the body of this Agreement shall control. - against whom such waiver is sought to be enforced. A waiver by either the Recipient or CHDI of any provision of this Agreement will not be construed to be a waiver of any succeeding breach thereof or of any other provision of this Agreement.
15. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law. In the event a court of competent jurisdiction holds any provision of this Agreement to be invalid, such holding shall have no effect on the remaining provisions of this Agreement, and they shall continue in full force and effect.

 18. Authority to Execute this Agreement. The individual agreeing to/accepting the terms and conditions of this Agreement on behalf of the Recipient represents and warrants that he or she has the authority (corporate or otherwise) to accept and be bound by the terms and conditions of this Agreement on behalf of the Recipient.

Exhibit 1 to Enroll-HD Data Use Agreement

(Standard Contractual Clauses – Transfer of Personal Data Outside the Community)

Controller to Controller Transfers

References to "this Agreement" in this Exhibit 1 refer to the Data Use Agreement to which this Exhibit 1 is attached.

References to a "party" and the "parties" are to CHDI and the Recipient individually and collectively, as applicable.

Pursuant to Section 6 of this Agreement, the Recipient is required to enter into and comply with the clauses set forth in this Exhibit 1 if the Recipient is established in a country outside of the European Economic Area and, as of, or at any time after, the effective date of this Agreement, either (i) that country does not hold a European Commission decision finding that such country provides an adequate level of protection or (ii) the Recipient does not hold a European Commission decision finding that it provides an adequate level of protection.

Recitals

- (a) The Recipient acknowledges that CHDI is subject to certain European Union ("EU") laws which govern the collection and use of personal data.
- (b) The Recipient further acknowledges that certain of the Data provided by CHDI to the Recipient includes personal data within the meaning of EU data protection laws.
- (c) The purpose of this Exhibit 1 is to legitimize the processing of personal data by the Recipient as required under EU data protection laws by ensuring it is given an "adequate level of protection" within the meaning of those laws.
- (d) The details of the transfer (as well as the personal data covered) are specified in Annex B to this Exhibit 1, which forms an integral part of the clauses set forth in this Exhibit 1.

Definitions

For the purposes of the clauses:

- (a) "personal data", "special categories of data/sensitive data", "process/processing", "controller", "processor", "data subject" and "supervisory authority/authority" shall have the same meaning as in Directive 95/46/EC of 24 October 1995 (whereby "the authority" shall

mean the competent data protection authority in the territory in which the data exporter is established).

- (b) "the data exporter" shall mean the controller who transfers the personal data to the data importer.
- (c) "the data importer" shall mean the controller who agrees to receive from the data exporter personal data for further processing in accordance with the terms of these clauses and who is not subject to a third country's system ensuring adequate protection.
- (d) "clauses" shall mean the contractual clauses set forth in this Exhibit 1.

The details of the transfer (as well as the personal data covered) are specified in Annex B to this Exhibit 1, which forms an integral part of the clauses.

Data Protection Clauses

I. Obligations of the Data Exporter

The data exporter warrants and undertakes that:

- (a) The personal data have been collected, processed and transferred in accordance with the laws applicable to the data exporter.
- (b) It has used reasonable efforts to determine that the data importer is able to satisfy its legal obligations under these clauses.
- (c) It will provide the data importer, when so requested, with copies of relevant data protection laws or references to them (where relevant, and not including legal advice) of the country in which the data exporter is established.
- (d) It will respond to enquiries from data subjects and the authority concerning processing of the personal data by the data importer, unless the parties have agreed that the data importer will so respond, in which case the data exporter will still respond to the extent reasonably possible and with the information reasonably available to it if the data importer is unwilling or unable to respond. Responses will be made within a reasonable time.
- (e) It will make available, upon request, a copy of the clauses to data subjects who are third party beneficiaries under clause III, unless the clauses contain confidential information, in which case it may remove such information. Where information is removed, the data exporter shall inform data subjects in writing of the reason for removal and of their right to draw the removal to the attention of

the authority. However, the data exporter shall abide by a decision of the authority regarding access to the full text of the clauses by data subjects, as long as data subjects have agreed to respect the confidentiality of the confidential information removed. The data exporter shall also provide a copy of the clauses to the authority where required.

II. Obligations of the Data Importer

The data importer warrants and undertakes that:

- (a) It will have in place appropriate technical and organizational measures to protect the personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, and which provide a level of security appropriate to the risk represented by the processing and the nature of the data to be protected.
- (b) To the extent the data exporter consents to the data importer transferring the personal data to, or providing access to the personal data to, a third party, it will have in place procedures so that any third party it authorizes to have access to the personal data, including processors, will respect and maintain the confidentiality and security of the personal data. Any person acting under the authority of the data importer, including a data processor, shall be obligated to process the personal data only on instructions from the data importer. This provision does not apply to persons authorized or required by law or regulation to have access to the personal data.
- (c) It has no reason to believe, at the time of entering into these clauses, in the existence of any local laws that would have a substantial adverse effect on the guarantees provided for under these clauses, and it will inform the data exporter (which will pass such notification on to the authority where required) if it becomes aware of any such laws.
- (d) It will process the personal data for purposes described in Annex B to this Exhibit 1, and has the legal authority to give the warranties and fulfil the undertakings set out in these clauses.
- (e) It will identify to the data exporter a contact point within its organization authorized to respond to enquiries concerning processing of the personal data, and will cooperate in good faith with the data exporter, the data subject and the authority concerning all such enquiries within a reasonable time. In case of

legal dissolution of the data exporter, or if the parties have so agreed, the data importer will assume responsibility for compliance with the provisions of clause I(e).

- (f) At the request of the data exporter, it will provide the data exporter with evidence of financial resources sufficient to fulfil its responsibilities under Clause III (which may include insurance coverage).
- (g) Upon reasonable request of the data exporter, it will submit its data processing facilities, data files and documentation needed for processing to reviewing, auditing and/or certifying by the data exporter (or any independent or impartial inspection agents or auditors, selected by the data exporter and not reasonably objected to by the data importer) to ascertain compliance with the warranties and undertakings in these clauses, with reasonable notice and during regular business hours. The request will be subject to any necessary consent or approval from a regulatory or supervisory authority within the country of the data importer, which consent or approval the data importer will attempt to obtain in a timely fashion.
- (h) It will process the personal data, at its option, in accordance with the data processing principles set forth in Annex A to this Exhibit 1.
- (i) It will not disclose or transfer the personal data to a third party data controller located outside the European Economic Area ("EEA") without the prior written consent of the data exporter and
 - (i) the third party data controller processes the personal data in accordance with a Commission decision finding that a third country provides adequate protection, or
 - (ii) the third party data controller becomes a signatory to these clauses or another data transfer agreement approved by a competent authority in the EU, or
 - (iii) data subjects have been given the opportunity to object, after having been informed of the purposes of the transfer, the categories of recipients and the fact that the countries to which data is exported may have different data protection standards, or
 - (iv) with regard to onward transfers of sensitive data, data subjects have given their unambiguous consent to the

onward transfer.

III. Liability and Third Party Rights

- (a) Each party shall be liable to the other party for damages it causes by any breach of these clauses and that liability as between the parties is limited to actual damage suffered. Punitive damages (i.e. damages intended to punish a party for its outrageous conduct) are specifically excluded. Each party shall be liable to data subjects for damages it causes by any breach of third party rights under these clauses. This does not affect the liability of the data exporter under its data protection law.
- (b) The parties agree that a data subject shall have the right to enforce as a third party beneficiary this clause and clauses I(b), I(d), I(e), II(a), II(c), II(d), II(e), II(h), II(i), III(a), V, VI(d) and VII against the data importer or the data exporter, for their respective breach of their contractual obligations, with regard to his personal data, and accept jurisdiction for this purpose in the data exporter's country of establishment. In cases involving allegations of breach by the data importer, the data subject must first request the data exporter to take appropriate action to enforce his rights against the data importer; if the data exporter does not take such action within a reasonable period (which under normal circumstances would be one month), the data subject may then enforce his rights against the data importer directly. A data subject is entitled to proceed directly against a data exporter that has failed to use reasonable efforts to determine that the data importer is able to satisfy its legal obligations under these clauses (the data exporter shall have the burden to prove that it took reasonable efforts).

IV. Law Applicable to the Clauses

These clauses shall be governed by the law of the country in which the data exporter is established, with the exception of the laws and regulations relating to processing of the personal data by the data importer under clause II(h), which shall apply only if so selected by the data importer under that clause.

V. Resolution of Disputes with Data Subjects or the Authority

- (a) In the event of a dispute or claim brought by a data subject or the authority concerning the processing of the personal data against either or both of the parties, the parties will inform each other about any such disputes or claims, and will cooperate with a view to settling them amicably in a timely fashion.

- (b) The parties agree to respond to any generally available non-binding mediation procedure initiated by a data subject or by the authority. If they do participate in the proceedings, the parties may elect to do so remotely (such as by telephone or other electronic means). The parties also agree to consider participating in any other arbitration, mediation or other dispute resolution proceedings developed for data protection disputes.
- (c) Each party shall abide by a decision of a competent court of the data exporter's country of establishment or of the authority which is final and against which no further appeal is possible.

VI. Termination

- (a) In the event that the data importer is in breach of its obligations under these clauses, then the data exporter may temporarily suspend the transfer of personal data to the data importer until the breach is repaired or this Agreement is terminated.
- (b) In the event that:
 - (i) the transfer of personal data to the data importer has been temporarily suspended by the data exporter for longer than one month pursuant to paragraph (a);
 - (ii) compliance by the data importer with these clauses would put it in breach of its legal or regulatory obligations in the country of import;
 - (iii) the data importer is in substantial or persistent breach of any warranties or undertakings given by it under these clauses;
 - (iv) a final decision against which no further appeal is possible of a competent court of the data exporter's country of establishment or of the authority rules that there has been a breach of the clauses by the data importer or the data exporter; or
 - (v) a petition is presented for the administration or winding up of the data importer, whether in its personal or business capacity, which petition is not dismissed within the applicable period for such dismissal under applicable law; a winding up order is made; a receiver is appointed over any of its assets; a trustee in bankruptcy is appointed, if the data importer is an individual; a company voluntary

arrangement is commenced by it; or any equivalent event in any jurisdiction occurs

then the data exporter, without prejudice to any other rights which it may have against the data importer, shall be entitled to terminate this Agreement (including these clauses), in which case the authority shall be informed where required. In cases covered by (i), (ii), or (iv) above, the data importer may also terminate this Agreement (including these clauses).

- (d) The parties agree that the termination of these clauses at any time, in any circumstances and for whatever reason (except for termination under clause VI(c)) does not exempt them from the obligations and/or conditions under the clauses as regards the processing of the personal data transferred.

Annex A to Exhibit 1 to Enroll-HD Data Use Agreement

(Data Processing Principles)

1. Purpose Limitation: Personal data may be processed and subsequently used or further communicated only for purposes described in Annex B to this Exhibit 1 or subsequently authorized by the data subject.
2. Data Quality and Proportionality: Personal data must be accurate and, where necessary, kept up to date. The personal data must be adequate, relevant and not excessive in relation to the purposes for which they are transferred and further processed.
3. Transparency: Data subjects must be provided with information necessary to ensure fair processing (such as information about the purposes of processing and about the transfer), unless such information has already been given by the data exporter.
4. Security and Confidentiality: Technical and organizational security measures must be taken by the data controller that are appropriate to the risks, such as against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, presented by the processing. Any person acting under the authority of the data controller, including a processor, must not process the data except on instructions from the data controller.
5. Rights of Access, Rectification, Deletion and Objection: As provided in Article 12 of Directive 95/46/EC, data subjects must, whether directly or via a third party, be provided with the personal information about them that an organization holds, except for requests which are manifestly abusive, based on unreasonable intervals or their number or repetitive or systematic nature, or for which access need not be granted under the law of the country of the data exporter. Provided that the authority has given its prior approval, access need also not be granted when doing so would be likely to seriously harm the interests of the data importer or other organizations dealing with the data importer and such interests are not overridden by the interests for fundamental rights and freedoms of the data subject. The sources of the personal data need not be identified when this is not possible by reasonable efforts, or where the rights of persons other than the individual would be violated. Data subjects must be able to have the personal information about them rectified, amended, or deleted where it is inaccurate or processed against these principles. If there are compelling grounds to doubt the legitimacy of the request, the organization may require further justifications before proceeding to rectification, amendment or deletion. Notification of any rectification, amendment or deletion to third parties to whom the data have been disclosed need not be made when this involves a disproportionate effort. A data subject must also be able to object to the processing of the personal data relating to him if there are compelling legitimate grounds relating to his particular situation. The burden of

proof for any refusal rests on the data importer, and the data subject may always challenge a refusal before the authority.

6. Sensitive Data: The data importer shall take such additional measures (e.g. relating to security) as are necessary to protect such sensitive data in accordance with its obligations under Clause I.
7. Data Used for Marketing Purposes: Where data are processed for the purposes of direct marketing, effective procedures should exist allowing the data subject at any time to "opt-out" from having his data used for such purposes.
8. Automated Decisions: For purposes hereof "automated decision" shall mean a decision by the data exporter or the data importer which produces legal effects concerning a data subject or significantly affects a data subject and which is based solely on automated processing of personal data intended to evaluate certain personal aspects relating to him, such as his performance at work, creditworthiness, reliability, conduct, etc. The data importer shall not make any automated decisions concerning data subjects, except when:
 - (a) both (i) such decisions are made by the data importer in entering into or performing a contract with the data subject and (ii) the data subject is given an opportunity to discuss the results of a relevant automated decision with a representative of the parties making such decision or otherwise to make representations to that parties.

Or
 - (b) where otherwise provided by the law of the data exporter.
