

December 23, 2021

Dear EHDN Researchers, Investigators and site staff,

You are cordially invited to attend an online presentation on the Roche tominersen programme on January 20<sup>th</sup>, 2022 at 17h CET, organised and hosted by EHDN. The meeting will include key findings from the Phase III GENERATION HD1 trial, followed by Q&A, then a panel discussion with recognised experts in the field of HD. The meeting will last approximately 90 minutes.

The meeting will be held on Zoom. A recording of the meeting will be made available on the EHDN website to registered participants. You can register at the following link:

[https://zoom.us/webinar/register/WN\\_iCem8oSBSbO6Alj0JrSTw](https://zoom.us/webinar/register/WN_iCem8oSBSbO6Alj0JrSTw)

After registering, you will receive a confirmation email containing information about joining the webinar.

Registration is required.

This meeting is geared towards a professional audience. Presentations dedicated to the lay audience will be held by patient organisations following this meeting; information will be shared in due course.

We look forward to seeing you soon. We wish you and your families a happy holiday season.

On behalf of the EHDN Executive Committee,

Prof. Anne Rosser  
Chair, EHDN Executive Committee

Dr. Patrick Weydt  
Deputy Chair, EHDN Executive Committee

Prof. G. Bernhard Landwehrmeyer  
Founder, EHDN
